The system does do an overall scan of the system but if there is anything in our individual hard drives or systems, then I upload that to the FOIA site.

I am confused by your request to forward you information.
I thought emails were going to be searched by Harvester, or other program to identify responsive communications?
Please clarify.

Good Afternoon Management Team,

Here is the information for our FOIA request. Please forward anything you have, if there is any, to me so I can get it uploaded. Thanks!
